ELECTION UNDER 35 U.S.C. § 121

Mail Stop Amendment Hon. Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

In response to the restriction requirement set forth in the Office Action mailed September 28, 2005, having a shortened statutory period for response set to expire October 28, 2005, wherein the Examiner required restriction between the following Groups:

Group I - Claims 1-12 and 19-24, drawn to a mask; and

Group II - Claims 13-18, drawn to a method of using masks to print a pattern using dipole illumination.

Applicants elect Group I, claims 1-12 and 19-24, for initial prosecution on the merits.

Applicants also reserve the right to file a Divisional Application for the non-elected claims 13-18, which the Examiner has indicated is patentably distinct.

Applicants believe that no extension of time is required. However, this conditional petition is being made to provide for the possibility that Applicants have inadvertently overlooked the need for a petition for extension of time. A duplicate copy of this Response is enclosed for accounting purposes.
